

THIRD GRADE HOME READING

This brochure lists titles of books that your third grader might enjoy. The titles have been selected by librarians of the Long Beach Public Library and include both fiction and non-fiction books. Some of the titles on the list may be familiar to you; you may remember them as favorites from your own childhood. Other titles are more recent and may introduce you to new authors and illustrators.

Please use this brochure as a resource for recommended book titles. Studies show that reading for pleasure helps children perform better in school and helps them continue learning outside the classroom throughout the year. And remember, Long Beach Public Library librarians are always available to help you select more books for your third grader or anyone else in your family.
